FOR IMMEDIATE RELEASE

Holland Construction Services Completes Addition at The Homestead at Hickory View Retirement Community

WASHINGTON, MO - Holland Construction Services, Inc. recently completed construction on an 11,000 square-foot addition at The Homestead at Hickory View senior living community. This vibrant independent living community is located 40 miles west of St. Louis in Washington, Missouri.

The new \$2.5 million addition added 14 units to the existing facility. This newly renovated community now offers 79 spacious apartments and luxurious amenities including an updated fitness and physical therapy center.

The Homestead at Hickory View is owned and operated by Spectrum Retirement Communities, LLC.

Bernida Egging Chapman, Vice President of Construction at Spectrum, commenting on the success of the project stated, "We thoroughly enjoyed working with Holland on this project. Holland was the only contractor that helped us figure out a way to make this addition viable."

Holland is also currently working with Spectrum on Sycamore Creek Senior Living, a new upscale senior living community in Pickerington, Ohio.

About Holland

Holland Construction Services is a full-service construction management, general contracting, and design/build firm based in Swansea, Ill., guided by the principle of providing our clients the best possible building experience on every project. Holland has been providing quality construction services throughout Illinois and Missouri since 1986, when it was founded by company CEO Bruce Holland.

Holland offers pre-construction, construction and building information modeling services to retail, office, healthcare, educational, multi-family, recreational, institutional, and light industrial clients. The St. Louis Business Journal ranks Holland as a "Best Places to Work" and one of the top 15 contractors in the St. Louis area. For more information, visit Holland's website at www.hollandcs.com.
